

DOUG COOPER, CFA

Senior Portfolio Manager, Equities

Doug joined Empire Life Investments Inc. in 2017 as a Portfolio Manager. He is a member of the Investment Team providing investment management for segregated funds¹ and mutual funds².

Doug is the lead manager of the Empire Life Dividend Growth GIF³ and Empire Life Dividend Growth Mutual Fund. He is the co-manager of the Empire Life Asset Allocation GIF³.

Doug began his career in the industry in 1999 and has held increasingly progressive roles with a leading Canadian investment firm. His experience includes working on two industry award winning funds and most recently was Vice President and Portfolio Manager for three funds where he researched and analyzed global and Canadian equities.

Doug holds a BA in Economics and Philosophy from Queen's University and also holds the Chartered Financial Analyst (CFA) designation.

¹ Policies are issued by The Empire Life Insurance Company.

² Empire Life Investments Inc. is the Manager of the Empire Life Mutual Funds. The units of the Funds are available only in those jurisdictions where they may be lawfully offered for sale and therein only by persons permitted to sell such units.

³ This is the marketing name for the fund. The legal name excludes "Empire Life" and "GIF" and includes "Fund" at the end of the name.

Empire Life Investments Inc. is the Portfolio Manager of the Empire Life segregated funds.

Empire Life Investments Inc. is a wholly-owned subsidiary of The Empire Life Insurance Company.

A description of the key features of the individual variable insurance contract is contained in the Information Folder for the product being considered. **Any amount that is allocated to a Segregated Fund is invested at the risk of the contract owner and may increase or decrease in value.** Please read the information folder, contract and fund facts before investing.

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.
